

Press Release:

The Alfred Hitchcock Walk is delighted once again to be part of British Tourism Week.

This and other Sandra Shevey walks celebrate fact and fabric of London as an architecturally stunning city whose history and legacy firmly recommend.

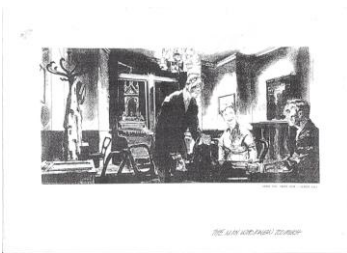

The walks which Sandra has been running since 1990 profile the old street markets and the film locations.

She has recently added walks which venerate literary sources.

Taster walks are on offer during British Tourism Week.

Please contact Sandra at sandra_shevey@yahoo.com.
